

Equipment of DNT

The surfaces around the DNT

The surface around the DNT

Graphic elements

NLB Indigo Blue

The surface of the DNT can be equipped in two ways:

- If the wall is inside primary material is printed foil + UV Matt lamination, Pantone 2745 which must match with the RAL Design 290 20 35 color.
- If the wall is outside primary material is lacquered aluminium sheet in the colour RAL Design 290 20 35.
